

Hilary Lindh Scholarship Applications Open Now

Open Nov. 18th to Dec. 12th

For Immediate Release:

Eaglecrest Ski Area's annual Hilary Lindh Scholarship Application is now open! Four applicants chosen by the selection committee will receive a 2016-17 Season Pass, the rest of the eligible applicants will receive one lift ticket and rental for participating. Find the application and guidelines at www.SkiJuneau.com/lindh.php and apply today!

The Eaglecrest Board of Directors established this program in 1992 in recognition of Hilary Lindh's 1992 Olympic Silver Medal and the hard work that she dedicated to downhill ski racing. Hilary started skiing in Juneau at an early age and won the U.S. and World Junior Championships in Downhill at age 16. She also attended a Utah ski academy in 1984, competed on the World Cup Circuit for twelve years winning three World Cup Downhills, and competed in three Olympics.

After winning the 1997 World Downhill Championship, Hilary Lindh was inducted in to the U. S. Ski Hall of Fame in 2006 and the Alaska Sports Hall of Fame in 2009. The Hilary Lindh scholarship was established by the Eaglecrest Board of Directors and is a great way for Eaglecrest to connect with the Juneau community and support young skiers and snowboarders to pursue their dreams of snowsports.

The selection committee will judge applicants based on three main criteria: scholastic achievement, competitive spirit, and financial need. All Juneau area students are eligible to apply within the four divisions: Boys/Girls Kindergarten through Fifth Grade and Boys/Girls Sixth through 12th Grade. The recipients will be announced on Dec. 19th, 2016 online and in our newsletter.

Applications are now available online at www.SkiJuneau.com/lindh.php. Find Eaglecrest on Facebook, Instagram, Twitter and Snapchat for more information and winter updates.
