

Eaglecrest Foundation

Thank you to Avista!

For Immediate Release:

Avista, the parent company of AEL&P, has given a generous donation of \$1000 to the Eaglecrest Foundation in the support of Books 2 Boards and other youth community outreach programs. These programs are designed to benefit the Juneau community and give members a chance to experience the mountain in new ways.

The Books 2 Boards program is a great opportunity for students in the Juneau School District to come to Eaglecrest who might not otherwise have the opportunity. The Books 2 Boards program provides eligible students with lift tickets, rental equipment, lessons and more. Books 2 Boards leaders work closely with schools and students to ensure their participation. “Books 2 Boards is a great opportunity for the younger community of Juneau to experience what Eaglecrest has to offer and we’re extremely grateful for local support of this and our other youth programs,” Jeffra Clough says.

Thank you to Avista for your generous donation to the Eaglecrest Foundation. Donations like these go straight into the Juneau community by supporting programs like Books 2 Boards and other projects through the Eaglecrest Foundation. The Eaglecrest Foundation was founded to solicit and manage donations for the exclusive benefit of the Eaglecrest Ski Area.
