

## **General Manager, Eaglecrest Ski Area, Juneau, Alaska**

The City and Borough of Juneau, Alaska is recruiting for a General Manager for the Eaglecrest Ski Area. The incumbent should be an experienced, high level executive capable of overseeing the day to day operations, maintaining financial accountability, creating innovative strategic plans, and developing and maintaining positive community relationships for our publicly owned ski area. The General Manager reports to a Board of Directors appointed by the CBJ Assembly and is responsible for a staff of seven year round full time employees and a seasonal staff of 145.

The Eaglecrest Ski Area operates four double chairlifts, covers 640 acres, has a vertical drop of 1,620 feet and offers a variety of terrain for all ability levels. The area also maintains 6km of Nordic trails. Facilities include base area facilities which house food & beverage, ski patrol, seasonal & day lockers, equipment rental, Snowsports School, ticketing/sales and vehicle and maintenance shops. The area also operates a basic snow making system. In addition to the winter operation, Eaglecrest is a popular hiking location and has the only downhill mountain bike trail in Juneau. Two summer vendors operate on Eaglecrest property. Eaglecrest also operates the Dimond Park Fieldhouse which is located approximately 15 miles from the ski area. For additional information on Eaglecrest visit <http://www.skijuneau.com>.

The Eaglecrest Ski Area enjoys strong community support, has a base of over 2,000 seasonal product holders and sees approximately 50,000 skier visits per season. Total revenues for the 2015-2016 ski season were \$2.1M which includes financial support from the City & Borough of Juneau. While predominately a local area, Eaglecrest is seeing an expanding exposure on the national scene. The ski area also has a close relationship with the Eaglecrest Foundation, a non-profit 501c3 organization that was founded to solicit and manage donations for the exclusive benefit of the Eaglecrest Ski Area.

Juneau, the capital city of Alaska, has a total population of 32,000 and hosts 1 million summer cruise ship passengers a year. Juneau is geographically isolated on the Southeast Alaska panhandle, and is located in the middle of the Tongass National Forest. There is immediate access to wilderness and the city has a thriving arts community, an active community, and many other benefits not normally found in a city of this size. These factors combine to make Juneau a great place to live, work and play. Visit <http://www.traveljuneau.com> for more information on Juneau.

The successful candidate will have excellent high level Management experience and the ability to lead and work with a team. The candidate should have a solid background in finance; experience with long range and strategic planning and the ability to work the

city assembly, community organizations, media, and the general public. At least five (5) years previous experience in a Ski Industry Senior Management position is required.

Starting salary range for this position is \$76,000 to \$95,000 depending on experience. In addition, the City and Borough of Juneau offers an excellent benefits package including participation in a state retirement plan, a generous leave package, and exceptional health and wellness plans. Relocation assistance may be available.

For additional information about the position, or to submit an application, visit <http://www.juneau.org/personnel/jobs.php> If you would like more information, please call Dallas Hargrave, Human Resources Director at 907-586-0225. Applications will be taken until the position is filled. Initial review of applications will begin on March 7, 2017.
